CAPTAINCY REPORT CARD

The Winners: Every manager who captained **Bruno Fernandes** banked **46 points** off his Man Utd hat-trick — the single most valuable armband in the league this week.

The Disasters: **Marie Drosche** and **Abner Chavez** both captained **Watkins** for a blank — **0 points**, doubled to **0**. **Chris Tran** captained Virgil (1 pt) while *already owning Bruno Fernandes* on his bench of options — a self-inflicted 44-point swing. **Felix Holland** (Šeško, 1 pt), **Khang Dang** (Rice, 3 pts) and **Drin Pacuku** (Ødegaard, 3 pts) also left points on the table.

TRANSFER WATCH

Nick Revia took **three hits (-12 pts)** and still only posted 90 points — the transfers barely paid for themselves, and he dropped 5 places (5th → 10th) despite the gamble. **Aleksa Divcic** also took a -4 hit but it worked out better, banking 96 points for only a one-place slip (3rd → 4th).
