Melted Clocks, Telephones & Gameweek 2 Blunders

🏆 THE SURREAL HONORS OF GAMEWEEK 2

🦞 The Golden Lobster Claws

Alexis Segura (papoy) skyrocketed **+11 places** (18th ➔ 7th) with a league-best **117 points** using Bench Boost.

gian jaen (Gaucho F.C.) jumped **+9 places** (15th ➔ 6th) on **115 points** with Bruno's hat-trick and 3 DefCon sweeps (Gabriel, Raya, Ajer).

🧊 The Melted Armband & AutoSub Rescues

Abner Chavez & Marie Drosche both saw Watkins fail to play (0 mins) — but **Abner's bench saved him** with Gibbs-White autosubbing in for **+21 points** (rising to 13th), while Marie received Hill (+6 pts).

Chris Tran (GP FC) captained **Virgil (1 raw pt = 2p)** while *Bruno Fernandes (23 raw pts = 46p)* was already in his squad!

🃏 The Molting Crustaceans (Mad Wildcards & Hits)

Drin Pacuku (sakadeez) tore his shell completely off, executing a frantic **12-player Wildcard overhaul**.

Nick Revia (captain bruno) took a self-inflicted **-12 point triple-hit**, which consumed all his upside and dropped him 5 spots (5th ➔ 10th).

🛡️ The Titanium DefCon Shell

Bart Simp (Bart's Team) fielded an impenetrable bunker with **4 separate players** achieving the +2 DefCon bonus threshold.

Jose Castrejon (szobamela) posted the week's monster attacking baseline with **7.08 team xG**, rising to 3rd without touching a single chip!

🔮 THE GAMEWEEK 3 HORIZON

⚡ **The Haaland Triple Captain Convergence:** Man City host Coventry City at the Etihad. 12 managers own Haaland, and the Triple Captain chip is about to become a nuclear weapon across the top 10.
⚡ **Sunderland's Fixture Abyss:** Sunderland embark on a terrifying run (BRE ➔ ARS ➔ MCI). Managers holding Brobbey, Le Fée, and Hume are in the splash zone.

"I do not understand why, when I ask for a grilled lobster in a restaurant, I am never served a cooked telephone; I do not understand why champagne is always chilled and why on the other hand telephones, which are habitually so frightfully warm and disagreeably sticky to the touch, are not put in silver buckets with crushed ice."
